I begin researching on "Andy Pero", because I begin studying all about Silva Mind Control, through books and the "mind control newsletters" and what Andy tell's is all congruente with the Silva graduates language like the terms you can find many people in the "Mind Control Newsletters" talking in the same language like "going to my level", the "mental lab programing and more...

Also who was the Andy Pero Silva Instructor?

I looked for all people in the region Andy lived at the time, 1981-1983 and found this names for instructors

He says...

March 1981- My mother enrolls me in the "Silva Mind Control" ... The instructor however, was praising me like I was the next god's gift to mankind. Telling me that I was the greatest student he has ever seen etc. etc..

So, I looked on the newspapers.com and searched for silva instructors from 1980 to 1982 and found ...

Ginger Grancagnolo,Fr albert gorayeb,elaine giordano
claire kenna gamba
eileen buehler
greg lantz
joseph lucchesi

He says " in Ho-Ho-Kus we all used to live" in 1981 and that it was a "eight week course"

I could find also the name o "judith schwab" as instructor

I found two articles on this newsletters linking Lee Lozowick to New Jersey, when he was Mind Control's area coordinator (he resigned early in 1976 to establish Hohm. as stated in THE SILVA MIND CONTROL METHOD Book.
So, it was not him, Andy says the eight week course was in 1981 so may be one of the mentioned above

You can find record in the newspapers of many people Andy mentions, there are records for them, the boyfriend of his mother, and the others,

Andy is now in Collin County jail for have killed the his exGirl Carry Savage in 2020 that he mentions in the book,
I have put all news about Andy Pero from the newspapers from all decades and including the news of he being caught for killed her that was a doctor
in the second pdf (link in the end of the post for download)
Hope Andy can be guided by the auspicious energys of the cosmos to put forth books, they make a movie on his life, or he be listen by history channel, Gaia and even Joe Rogan Experience and any place he can put his knowledge forward, Positive outlooks for him are many

Andy needs a bail of 2 million dollars, he can use his psychic power to manifest a lottery win and pay the bail(I have included two news of two Silva Mind Control graduates that won the lottery by programming the win using the Silva techniques)
I Hope Andy is good.

In one of the pdf for download has a photo of Andy when he was about to be on the US Powerlifting Team but decided not go to take care of his mother that had his fiiance

ia801400.us.archive.org
from 1969-2001

This are articles that are inside the mind control newsletters
where one can read other people talking about similar concepts and techniques of the silva mind control
like go to my level, the mental lab
like this women martial arts champion Vydeya who goes to her level, and have his deceases master appear to her in her mind to show her how to perform the moves of his martial arts
Andy don't mention but there's other techniques like the three finger techique and others

That's all I could find about. Andy is now in jail I wished help him the only way I can that's sending books and materials to him study
or inspire him to use his mental powers to manifest a lotto win, so he will need someone to buy the tickets for him,
a inmate can win the lottery in his state and he can pay his bail and continue his saga, even if I haved the 2 million now to pay his bail I would not pay it cause he killed his ex girlfriend stabbed multiple times and leaved her dead in the house, at least that's is what the police news says,
so he has to earn his freedom by himself, if he has the virtue to conjure the victory, he can muster the feeling and win the lotto, that will be a record lotto prize for an inmate in history,
So, by reading some inspirational books like the secret
and other's, also from the Silva Mind Contrl Newsletters they teached how to program to win the lottery

David Sikich and Regina Fornecker two lottery winners who won using The Silva Mind Control techniques and are mentioned in the Silva Mind Control books, I'm really projecting the best of the very best to Andy, may Jesus and the auspicious energys of the cosmos be by his side
I crossed with Andy story them learned about Silva and once begin, and delved through the very depth of all information I could find on the internet, thanks to archive.org, google also
I have found a link to a helen hadsell lost interview on archive.org/ waybackmachine

[podcasts.apple.com...](#)

but I can't open here, some google pages said that in the source code one can find a rss feed that has a link to a possible mp3 or m4a file them can listen to it
or through itunes, but here it don't open, if you manage to get/extract the audio file put here the link in the comments

I found the link for this interview in the site of helen hadsell deltasocieties

its out now, only through the waybackmachine from archive.org, the interview with this man Stephan Jacob from voicamerica

Heelen Hadsell the women who could win all prizes/contests/lotto with mind power/visualization similar to Andy alpha mind control

if you can pick the mp3 file from this interview or know someone who can do it Thank You,

all informations I could check Andy gives are credible, there news confirming them in newspapers.com like Father Jack, his coach Hyman, Dr Purizzo, real name is Pizurro and the US Powerlifting Head Coach "bulk", I have put images with news confirming his names for download in the link bellow, if you want the newspapers with complete news subscribe to newspapers.com and you can download there its only some dollar per month, has a 7 day free trial

Andy is now around 50 so may his mother and father still alive as also astrid wit around 70-80 years or more
'm projecting that History channel give opportunity to Andy exposes his life and everything he knows, as he is the real "strangethings" he can be the sensation hype when his story get into world light

Final victory to Andy Pero

Also Andy could be interview by Joe Rogan, may Andy interviews get to the masses, millions upon millions views

then its done, they can never stop this information to spread more and more,

I found right now this other montauk survivor, called Jason, his interview, he also haved powerful telekinetic powers

[www.youtube.com...](#)

you can send mail to Andy in the collin county jail,

[www.collincountytx.gov...](#)

only need to send a book to him with message in between the text, "andy" buy or find someone to keep buying lotto tickets worth more than your bail, and program to win and win using silva mind control, with the winnings pay for your freedom, when you is out send an email to ??????@hotmail.com, prayerize visualize actualize Norman Vincent Peale Magic of Believing, all things are possible to him that believeth Mark 9:23
To him now unless someone pay his his millions bail, silva mind control is his only solution, program a lottery win worth millions and win, I'm already projectin victory for him and I'm sure he can muster the victorious feeling

May the force be with him.
